

Customized Travel Planning Services

Our planning fee for customized travel covers the research, development of the proposal, up to 2 revisions to perfect your customized itinerary, booking, and the managing of all components of your trip.

Our professional travel planning fees are **\$150** for parties of up to 6 people for trips lasting up to 10 days and **\$25/traveler** for parties of 7-12 people for trips lasting up to 10 days. The proposal is for one overall trip to 1 or 2 destinations with up to 4 resort or cruise recommendations per proposal. Changes in destination will require a new planning fee. Costs for groups larger than 12 will be discussed prior to services being rendered.

For proposals over 10 days there will be an added planning fee of **\$50** per trip. Proposals over 21 days may incur additional charges.

For proposals where requested dates of travel are within 60 days or less, there is an additional **\$100** expedition fee. Currently, travel is busy and availability is low within short travel windows. We highly recommend that you contact us regarding your travel as far out from your desired travel dates as possible, so that there is availability still open.

- Early check in/late check-out (subject to availability)

Fees For Hotel & Cruise Only Bookings - Includes Booking Only. Research and Travel Support not included.

This service is **complimentary** when a client knows their exact destination and which hotel/cruise they would like to book and no research or travel support is provided by Mosaic Shores Travel Co., LLC. This allows our clients to take advantage of our preferred partner amenities that hotels and cruise ship companies may provide. Clients may also be able to book via my [Hotel Booking Engine](#) themselves and will still have access to any available Virtuoso amenities.

All planning fees are paid before any travel planning services are started.

Airline Ticketing

We do not offer standalone airline ticketing. We offer it only when we are providing our client with our full customized travel planning services. Fees for airline tickets: **\$10/ticket - \$10/cancelled ticket - \$10/per change on ticket**
